## From the Editor:

What a year! Life got in the way of our planning for this year's weekend. Belinda's beautiful Mom passed away and left a hole in both of our hearts. Myself, struggling with arthritis, had a knee replacement and shortly after, cataract surgery. I find trying to deal with a body that is failing me, is very hard to deal with. But, we will persevere. We hope this year's Woodstock theme brings a wide range of activities, so costumes are a must! We will, throughout the 4<sup>th</sup> floor, before the dinner and dance on Friday, have a cocktail party. Rooms are encouraged to set out your favorite cocktail and/or appetizer. All very exciting and Fun! The Riverwatch Lounge is open at noon for lunch, both days, along with the bar.

## Please! Please!

Due to constraints with the New York State Liquor Board, we can not bring our own alcoholic beverages

into the Bar or "Woodstock Dance" complete with Karaoke. We can, however, bring it into the pool and have it in our rooms. Thanks everyone.
